PARTY & EVENTS PLANNER/PARTY SHOP

# ABOUT

- At HOUSE OF ERUULU EVENTS, we guide our partners-from philanthropic leaders to corporate innovators to outstanding individuals-on a collaborative journey that ends with indelible, one-of-a kind experience. We plan, design and produce exceptional celebrations throughout the country, from small intimate gatherings to large and lavish affairs. Our weddings and parties are memorable, magical experiences perfectly planned and beautifully executed.

We are event planners and entertainment experts who with years of experience have honed the craft of creating seamless and enjoyable experiences for our clients.

Through diligence and innovation, with sanity, humour, innovation and style with attention to detail, flair for unimagined. We create events that stimulate the senses and awe guests while creating a seamless and enjoyable experience for clients.

- We are able to blend the tenets of theater, cuisine, decor and atmosphere into every event we create-establishing ourselves as an “eventiste” for our combination of artistry and practicality. We have an inventive eye, designing is our passion and this is where our love lies, planning events that are tailor-made for each host and their guest list. Our events have been described as fun-unique, elegant and always innovative.

# MISSION

Our mission is to leave guests with event memories that will last a lifetime, years of experience has taught us what works-and what doesn't- when designing a space to optimise guest flow, interaction and impact. The result is flawless event guests won't stop talking about.

We're here to guide you through the entire process, offering up decades to expertise and a well-honed knack for logistics to make your dream event a reality.

We won't pigeonhole you into a one-size-fit-all design. We venture boldly into the never-been-done-before to create custom details that set your celebration apart.

We'll take the heavy lifting off your plate so the only decisions left for you to make are the exciting ones; and so that you, your families, friends, and colleagues can enjoy every moment without undue worry or stress.

A pair of black binoculars with a silver-colored central hinge is lying on a rough, grey stone ledge. The background is a soft, out-of-focus sunset with warm orange and yellow tones. The binoculars are positioned in the lower-left quadrant of the frame, with their barrels pointing towards the right.
